

The Mayor's Message

By Middlesex Mayor Ron Di Mura

On Sunday, May 22nd the Borough sponsored its first stream cleanup event. The Borough worked in conjunction with the members of the Central Jersey Stream Team and the many volunteers from the “We LuvU” Foundation. More than 75 volunteers came out to help clean our streams. The event was a big success; we took out more than four tons of garbage and junk from the stream areas including more than 150 tires.

I want to thank Joe David and the entire Central Jersey Stream Team without your direction and hard work we would not have been able to get this done. I also want to thank all the volunteers that came out to help, especially the volunteers from the “We LuvU” Foundation, the energy they brought to the event made the day not only a big success, but also a lot of fun. I would like to give a special thanks to Councilman Bob Schueler for his hard work all day.

I would like to thank the high school students and staff for inviting me to their Memorial Day Service. Everyone involved did a great job in remembering our fallen heroes and honoring our veterans. Once again, thank you for inviting me.

Even though the weather did not cooperate on Memorial Day, I would like to thank all the men and women who have served and are currently serving for their dedicated service to our country and for the sacrifices they and their families have made for our freedom. We also need to remember all the fallen heroes, who sacrificed all their tomorrows so that we could have our todays. God Bless You All!

On Friday, June 10th, I was able to witness the Police Departments annual “Torch Run” for the Special Olympics. It was nice to see all students and residents along Bound Brook Road and Union Avenue cheering for all the participants. I would like to congratulate our Police Department along with John Ellery and all the members of the Middlesex Business Association for their hard work in making this year's event a huge success. They were able to contribute more than \$42,000 to the Special Olympics. A job well done!

Just a reminder, all garbage should be put out to the curb no more than 24 hours prior to your scheduled garbage pickup. Let's work together to keep our neighborhoods clean.

Finally, please “Save the Date” of Saturday July 23rd, for our new “Middlesex Borough Community Day” event at Mountain View Park. The event will include fireworks, live entertainment, great food and much more. I look forward to seeing you there it will be a fun day.

I am available to meet with any resident at Borough Hall, please contact me by phone at 908-307-6813 or email at mayor@middlesexboro-nj.gov to set up an appointment. Thank you.
